

Qoltec Power cable SCHUKO | IEC C5 | Clover | 3x1.0mm | 1.5m

Product code: 50458

Looking for a reliable power cord? Qoltec IEC C5/SCHUKO Cable, made of high quality materials, provides exceptional durability and stable connection thanks to carefully designed plugs. Ideal for everyday use at home and in the office, it is perfect for powering various devices, guaranteeing safety and convenience of use.

RELIABLE PERFORMANCE EVEN IN DEMANDING CONDITIONS

The power cable features a durable polyvinyl chloride insulation and copper wires

Invest in the **C5 power cable**, which combines high performance with exceptional durability. Thanks to its tough PVC insulation and copper conductors, you can be sure that **your devices will operate smoothly**, even in the most challenging conditions. It's the ideal solution for those who value **quality, safety, and user comfort** at the highest level.

- **Maximum intensity: 2.5A | Voltage: 250V – compliance with European safety standards**
- **High-quality copper conductors (3x1.0mm) – stable energy flow**
- **Durable PVC insulation – resistant to mechanical damage and high temperatures**
- **IEC C5 connectors – commonly used power supplies**
- **Length 1.5m – Ideal for orderly installation and space saving**

EFFECTIVE POWER FOR OFFICE AND PROFESSIONAL EQUIPMENT

Wide use of cable, including power supplies, projectors giving the opportunity to extend connections between devices
The C5 cable is the perfect choice for powering:

- - monitors,
- -projectors,
- - UPS power supplies,
- - printers and other ICT or RTV devices with C5 socket

It works perfectly in **server rooms, data centers, and offices** , where it **helps organize equipment** and **enables extending connections between devices** . Whether you need it for daily use or more demanding applications, this cable will meet all your expectations in terms of functionality and reliability.

UNIVERSAL POWER SUPPLY FOR ELECTRONICS AT THE HIGHEST LEVEL

High-quality three-core power cable
The C5/ SCHUKO **3-wire** power cable is a reliable and versatile solution that is perfect for powering a variety of electronic devices, both at home and in professional environments. Equipped with standard **IEC C5 and SCHUKO connectors** , the 1.5m cable ensures safe and stable power flow, guaranteeing long-lasting and trouble-free operation of equipment. High-quality workmanship and solid construction are a **guarantee of safety and durability** that you can rely on every day.

TRUST CONFIRMED BY WARRANTY

2-year product warranty
Do you care about the high quality of the product you're purchasing? **Our solutions will meet your expectations.** Each of our offered power cables comes with a 24-month warranty from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Power cable
Plug type	C5 SCHUKO
Output current	2.5A 250V~
Standard of cable	H05VV-F
Conductor cross-sectional area	3 * 1.0 mm
Insulating material	PVC
Application	All electrical devices with a compatible socket.
Usage	- Laptop Power Supplies, - Projectors, - Monitors, - Some models of gaming consoles, - Printers and other ICT or RTV devices with a C5 socket.
Additional information	Plug: angled SCHUKO power plug Socket: straight "clover" IEC-32- C5 Compliance with European VDE safety standards
OTHER PARAMETERS	
Working temperature	-20 C ~ +60 C
Cable length	1.5m
Package	Polybag
Package contents	1 x power cable
Package depth / length [mm]	250
Package width [mm]	80
Package height [mm]	20
Net weight [kg]	0.1750
Gross weight [kg]	0.1800
Warranty	24 months
EAN code	5901878504582
