

Qoltec SNMP module for UPS Rack

Product code: 50398

The SNMP module allows multiple UPS to be controlled and monitored via the local network or the internet. It increases the reliability and security of IT systems, enabling rapid response to problems and better management of the power infrastructure.

REMOTE MONITORING AND MANAGEMENT

Monitor the status of your UPS

With integrated network access, the SNMP card's web-based capabilities can be used to remotely program or shut down UPS. SNMP enables efficient management of UPS, increases the security of IT systems and allows better utilisation of resources. Check battery levels, input and output voltages, temperature and load - all from a single, intuitive interface.

INNOVATIVE TECHNOLOGY

The SNMP module additionally offers

- Real-time view of UPS operation and configuration of individual parameters,
- Wake-on-LAN support,
- Scheduled UPS turn-on and turn-off, in addition, battery test,
- Integrated with shutdown wizard, with this function you can safely shut down the system and prevent data loss in case of power outage,
- Support daily reports for event log and data log,
- EMD and SMS support,
- Equipped with a timer, helps keep the power supply running for up to 7 days without power connected,
- Compact size - helps for easy installation in UPS.

CONFIDENCE CONFIRMED BY A WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the SNMP modules we offer is covered by a 24-month warranty valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	SNMP
Connectors	Rj-45 Ethernet port
Network protocols	HTTP, DNS, DHCP IPV6 TLS HTTPS SSH SSL
Additional information	SNMP ver. V1/V2C/V3
Usage	Qoltec UPS with Power Factor 1.0: 52280, 52281, 52282, 52283, 52284, 52285, 52286, 52287
Dimensions (D/L x W x H)	82 x 68 x 38 mm
Package contents	1 x SNMP module
Package depth / length [mm]	170
Package width [mm]	42
Package height [mm]	135
Net weight [kg]	0.0590
Gross weight [kg]	0.0600
Warranty	24 miesiące
EAN code	5901878503981
