

Qoltec Wireless Ultra High Speed Mini Adapter WiFi 6 | Standard AX | Bluetooth 5.4 | USB | 900Mbps

Product code: 56984

The wireless WiFi/BT adapter is a compact and extremely efficient device designed for users who expect maximum speed, reliability and modern communication technologies. **Support for the latest Wi-Fi (Wi-Fi 6) AX standard allows speeds of up to 900 Mbps**, which makes the device perfect for demanding tasks – from web browsing and video conferencing to 4K streaming and fast transfers of large files. **The device also offers support for the latest Bluetooth 5.4 standard.**

WHY IS IT WORTH HAVING? – CONVENIENCE, SPEED AND RELIABILITY

Supports speeds up to 900Mbps, WiFi connection, and Bluetooth 5.4

Discover the Qoltec Wireless Mini Adapter **WiFi/BT 5.4**, which takes your devices to the next level of connectivity. **Its carefully refined design and high-quality components guarantee full utilisation of the capabilities of the modern Wi-Fi 6 standard (AX) standard**. By choosing this adapter, you are investing in the comfort of everyday Internet use and complete freedom to connect wireless devices. This gives you a stable, fast and reliable Internet connection, smooth operation, low latency and high bandwidth, ideal for cloud computing. **Advanced Bluetooth 5.4 technology provides greater range, energy savings and fast data exchange with mobile devices such as headphones, speakers and controllers.**

ENJOY STABLE AND FAST INTERNET WITHOUT ANY INTERRUPTIONS

Seamless connections thanks to MIMO and OFDMA technology in the AX standard

Our mini WiFi adapter is a compact and extremely efficient solution that will provide your computer with access to ultra-fast Internet in the modern Wi-Fi 6 (AX) standard. It is also ideal for travelling, thanks to its small size. **The AX standard uses advanced MU-MIMO and OFDMA technologies, which allow data to be sent and received simultaneously to multiple devices** . This makes the connection more stable, resistant to interference and significantly more efficient, even in an environment with many active users.

PRECISION WORKMANSHIP AND TOP-QUALITY COMPONENTS

2-in-1 functionality — quick integration with any device

Our adapter combines two key technologies: fast Wi-Fi 6 (AX) and Bluetooth 5.4, allowing you to easily connect your computer to both your network and wireless devices. The USB 2.0 Plug & Play connector allows for instant connection to your laptop or PC, and its compact design makes it ideal for travel. Play allows you to connect instantly to your laptop or PC, and its compact design makes it ideal for travelling. **Support for speeds up to 900 Mbps ensures smooth web browsing, 4K streaming and stable online gaming** . Enjoy the internet and Bluetooth devices conveniently and without interference — wherever you are.

ONE CONNECTION — A HUGE CHANGE IN EVERYDAY DEVICE USAGE

This is the ideal choice if:

- You want to speed up your computer without costly component replacements,
- You need stable Internet for films, work and games,
- You value wireless convenience without tangled cables,
- You are looking for a small, reliable and modern solution that works immediately after connection.

TRUST CONFIRMED BY WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. The adapter we offer is covered by **24 month guarantee** effective from the date of purchase.
