

Qoltec Antenna DVB-T2 outdoor | VHF/UHF | Black

Product code: 57039

DVB-T2 TV antenna is a product created to meet your expectations for receiving the new terrestrial TV standard. It provides reliable performance thanks to precision manufacturing and the use of top-class components for the production.

- Full HD , 4K
- LTE filter
- UHV and VHF frequency reception
- MUX1, MUX2, MUX3, MUX4, MUX8

HIGHEST QUALITY RECEPTION

The changeover from the DVB-T standard to DVB-T2, or second-generation digital transmission, is not only a **guarantee of better quality of the channels watched**, but also the need to take care of the right equipment to display them. To enjoy an uninterrupted signal in the new standard , it is worth getting the right antenna. Qoltec's DVB-T2 antenna is designed precisely to support the **new DVB-T2 TV standard** in your home - it is adapted to receive channels in the highest resolution **4K** .

RECEIVE A SIGNAL FROM ANY DIRECTION

When you choose a Qoltec brand antenna, you can count on ;

- Full HD and 4K resolution,
- DVB-T/DVB-T2 reception,
- UHV and VHF frequency reception,
- **omnidirectional**- receives signal from any direction without any problem,
- MUX1, MUX2, MUX3, MUX4, MUX8,
- outdoor or indoor installation,
- built-in **LTE filter** eliminates signal interference and ensures the highest quality reception,
- does not require directing towards the transmitter,
- high protection class **IP65**.

THE NEW STANDARD FOR TV AT HOME AND ON TRAVEL

The antenna was made with attention to the smallest details. It is **dedicated to outdoor use**, but will also work well as a **room antenna**. Quick installation and convenient mounting, allows you to adjust the installation to your needs. Thanks to its **compact dimensions and high resistance to adverse weather conditions**, it is ideal for travel and installation on camper van trailers.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The DVB-T2 TV antenna we offer comes with a **24-month warranty** valid from the date of purchase.

TECHNICAL DATA

| | |
|------------------------|--|
| Producer | Qoltec |
| Type | DVB-T2 |
| Power | 50mW |
| Antenna gain | 25-30 dBi |
| Working frequency | VHF 174-230MHz/ UHF 470-862MHz |
| Impedance | 75 |
| Polarization | Linear |
| Antenna connector | F/ IEC (M) |
| VSWR | max.2.0:1 |
| Radiation Pattern | Omnidirectional |
| Amplifier | Yes |
| IP rating | IP65 |
| Additional information | <p>Weatherproof product. The antenna does not require directing towards the transmitter. Allows analog and digital reception of DVB-T and DVB-T2. Full Hd 4K Indoor/outdoor</p> |
