

Qoltec ATX Power Supply 1000W | 80 Plus Gold | Bitcoin Miner | ver. 2

Product code: 50345

The ATX power supply is a device characterized by a reliable. Ensured trouble-free working your computer. Additionally offers:
- high power,
- efficient cooling system,
- several security features,
- quality confirmed by a certificate

TAKE CARE OF THE RIGHT POWER SUPPLY

The driving force of a device to work are its components. For both the computer and the cryptocurrency miners, these are: motherboard, graphics card, processor and other components. To ensure correct operation and trouble-free operation of all components, you must ensure their proper operation. The more demanding components the more efficient the power supply you need. The Qoltec brand has prepared for you a wide selection of products among which you will find the right model for you.

ENSURE THE RIGHT POWER

ATX motherboard standard is the most frequently chosen by users around the world. Its popularity is due to clearly defined dimensions and convenient location of ports. The task of the ATX power supply is to provide a stable voltage to the computer. In addition, our product offers:
- 1000W power – allows you to use power supply in cryptocurrency miners or efficient computer system,
- active cooling system - extremely efficient during work,
- protection systems: undervoltage, overvoltage, overcurrent, short circuit, overpower,
- quality confirmed by certificates: CE, RoHS

ACTIVE COOLING

The Power supplies with an active cooling system are extremely efficient and used in computers or cryptocurrency miners with high power. The principle of their operation is very simple and consists in the continuous operation of the fan inside the device.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Each Qoltec ATX power supply is covered by 24 months warranty.

TECHNICAL DATA

Producer	Qoltec
Standard	ATX
Usable power	1000 W
Fuse	15 A, 250 VAC, 5 * 20
AC Input	230 V ~ 10 A, 50 - 60 Hz
PFC	Active PFC
Pins	24 pin - 500 mm 3 x SATA 2 x 6 pin +2 - 800 mm (x6) 2 x 4 pin - 550 mm
Certified efficiency	80 Plus Gold
Cooling system	140 mm fan
Safety	Short Circuit Protection (SCP) Overcurrent Protection (OCP) Over Voltage Protection (OVP) Under Voltage Protection (UVP) Over Power Protection (OPP)
Usage	Cryptocurrency miners, servers
Additional information	Due to the technological process, cable lengths may vary +/- 5-10%
Dimensions	150 x 185 x 85 mm
Colour	Black
Dimensions (D/L x W x H)	150 x 165 x 85 mm
Package contents	Power supply Screws Cables
Net weight [kg]	2.4900
Gross weight [kg]	2.5060
Certificate	CE, RoHS
Warranty	24 months
EAN code	5901878503455
