

Qoltec Battery for iRobot Roomba 14.4V | 3500mAh

Product code: 50841

The iRobot battery guarantees reliability and long service life. Additionally, our product offers:

- Ni-MH cells,
- no battery memory effect,
- CE and RoHS certificates.

IROBOT GAINS POWER

iRobot Roomba is a convenient and helpful device, thanks to which vacuuming has never been so pleasant. While the device vacuum for you, you can do other household chores, watch TV or go for a walk with your dog. However, even iRobots need our help from time to time, for example, when they aren't able to operate at 100 percent.

If your iRobot Roomba requires more and more frequent charging and the results of its work are poor quality, it means it's time to replace the battery. The Qoltec brand has prepared for you a model made of the highest quality materials, which is fully compatible with your device.

HIGH QUALITY REPLACEMENT

Qoltec battery for iRobot Roomba is a top-quality replacement that will successfully replace expensive originals. Additionally, our product offers:

- NI-MH cells (nickel-metal-hydride) - ensure long and stable operation,
- no battery memory effect - allows increasing battery life,
- CE and RoHS certificates - a guarantee of good quality.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each of the batteries we offer for iRobot Roomba is covered by a 12-month warranty valid from the date of purchase.
