IMPORTANCE OF DETAILS

At the design stage, one of the most important question for us is: what are customer expectations? According to this we pay attention to details and use high-quality materials:

- shielding reduces the volume and intensity of the electrical noise,
- gold-plated connectors provide great signal performance,
- we offer various cable length options.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Each HDMI cable is covered by 24 months warranty.
