

Qoltec Cable USB 3.1 type C MALE | USB 2.0 type A female | 0.25m

Product code: 50422

Standard: USB 2.0
Type: USB CM / USB AF
Cable length: 0.25m

EFFICIENT FILE TRANSFER

Data transfer speeds of up to 480 Mb/s

Transfer speeds of up to 480 Mb/s allow you to easily copy documents, photos and other data between compatible devices. The cable is ideal for everyday use and synchronising devices.

DATA AND POWER VIA A SINGLE CABLE

Current up to 3A

The cable supports a current of up to 3A, meaning it can also supply power to compatible devices, subject to the capabilities of the connected equipment. It therefore allows you to combine data transfer with power supply to supported accessories.

PERFECT FOR PLACES WHERE TIDINESS MATTERS

Compact 0.25m

The short 0.25m cable takes up very little space and reduces cable tangling. The design, which allows for a bending radius of 45–60mm, makes it easier to route the cable correctly during use.

TRUST BACKED BY A GUARANTEE

This product comes with a 24-month warranty
Do you want to be sure of the high quality of the product you're buying? **Our solutions will meet your expectations.** Every USB-C cable we offer comes with a 24-month warranty valid from the date of purchase.
