

Qoltec Case for iPhone 12/12 PRO | PC HARD CLEAR

Product code: 52129

A silicone case for a smartphone is an ideal solution for people who value elegance and simplicity. Provides protection of the edges and the rear part of the device against scratches and other damage.

STYLISH PROTECTION FOR YOUR SMARTPHONE

Qoltec silicone case is characterized by the best quality and made of high-quality materials. It is characterized by a perfect fit. It combines elegance, simplicity and stylish design. The case is made of flexible, thin and flexible TPU material, pleasant to the touch. It has reinforcements in the corners that will absorb the impact force in the event of a fall. The case does not thicken the phone. The transparent material makes it fully transparent, thanks to which the device retains its original appearance. Thanks to the side reinforcements, the phone fits securely in the hand and the risk of slipping is eliminated. The special design protects the edges and back of the device, and thus protects the phone against various scratches, scratches and bumps. The raised front edge of the case protects the phone display. The case has precise cutouts for the camera, buttons and ports, which improves the comfort of use and full functionality. Thanks to this, you can use all functions without removing the phone from the case.

A PRACTICAL SOLUTION WITH ATTENTION TO DETAIL
