

Qoltec Fan GT 8025 | 19dBA | 12V | 3PIN | Silent

Product code: 27114

12V DC Fan for reliable cooling and quiet operation with low energy consumption. Thanks to its long-life ball bearing, this fan is not only characterised by its exceptional performance and robust design but also by its long service life, resulting in reliable and stable operation for many years.

EFFECTIVE COOLING EVEN UNDER INTENSIVE SYSTEM LOADS

Prevents the equipment from overheating by ensuring proper air circulation with a flow of 32.71CFM

The 12V fan has been designed with performance in mind, offering an airflow of an impressive 32.71 CFM, allowing for effective cooling even under intense system loads. What's more, with a low noise level of just 19dba, you can enjoy quiet operation of your PC, even during long work sessions or intense gaming.

THE PERFECT ADDITION TO YOUR COMPUTER

Robust workmanship, easy installation and functionality in one

Thanks to the 3Pin connector, the installation of this fan is quick and easy , enabling a seamless connection to the motherboard or fan controller. Its speed of 2200 revolutions per minute guarantees efficient air circulation inside the case, ensuring optimal thermal conditions for the computer components. Its compact dimensions make it ideal for all kinds of computer cases , regardless of their size or interior layout. Before selecting a product for the device you are building or repairing, please make sure that the hole spacing you find in the description matches that of the target application.

TRUST CONFIRMED BY WARRANTY

Product with 24 months guarantee

Do you care about the high quality of the product you buy? Our proposals will meet your expectations. Each of the fans we offer is covered by a 24-month warranty valid from the date of purchase.

TECHNICAL DATA

Producer	GlacialTech
Usable power	1.44W
Voltage	12V
Type of bearing	Ball - Long Life Technology
Rotational speed	2200 rpm
Air flow rate	32.71
Connector	3 pins
Noise level	19 dBA
Usage	PC
Additional information	<p>In the case of simple fans, there are only two power leads (red '+' and black '-'). Our fan has a third - yellow - lead, which is a pulse output, allowing the fan speed to be measured by counting the frequency of pulses occurring synchronously with the fan's rotation.</p> <p>All brands and trademarks are the property of their respective owners.</p>
Other parameters	
Colour	Black
Dimensions (D/L x W x H)	80 x 80 x 25 mm
Package contents	1 x Cooling fan
Package depth / length [mm]	80
Package height [mm]	80
Package width [mm]	25
Net weight [kg]	0,0830 kg
Gross weight [kg]	0,1210 kg
Warranty	24 months
EAN code	5908260271145
