

Qoltec Headphones wireless BT with microphone | mp3 | Black

Product code: 50814

Headphones - Folding

Round cable: 1.2 m

Plug: 3.5 mm

Sensitivity: 108 dB

Recommended use: phone, smartphone, tablet, PC

ABOUT THE PRODUCT

Qoltec's wireless headphones are a good reason for people who enjoy the convenience and the highest quality sound with sound bass without restrictions and noise.

Bluetooth 3.0 is compatible with headphones and they have range up to 10 meters ensures. The lightweight designed ensures comfortable listening for a long time.

They are equipped with a memory card slot and a built-in FM radio, so you can listen to the music even when your phone battery is low.

The headphones can be folded what makes them easy to store and transport.

Full control will give you a control panel located on the handset. On the panel control you have buttons just like: turn on/off the music, next song, volume up/down, answer/reject phone calls. A control diode supervises everything.

In addition to the headphones, the packaging contains a USB and Micro USB cable, AUX cable and a user manual.
