Compact, lightweight and mobile, the 4 in 1 USB Hub is sure to improve the possibilities of your computer devices. This compact product will provide you with additional USB ports to connect all kinds of mobile devices to your computer or laptop. It will prove useful on the move and wherever work space is limited.
- plug&play
- Elegant, robust aluminium casing
- compatible with all popular operating systems
- data transfer rate of 5 Gb/s

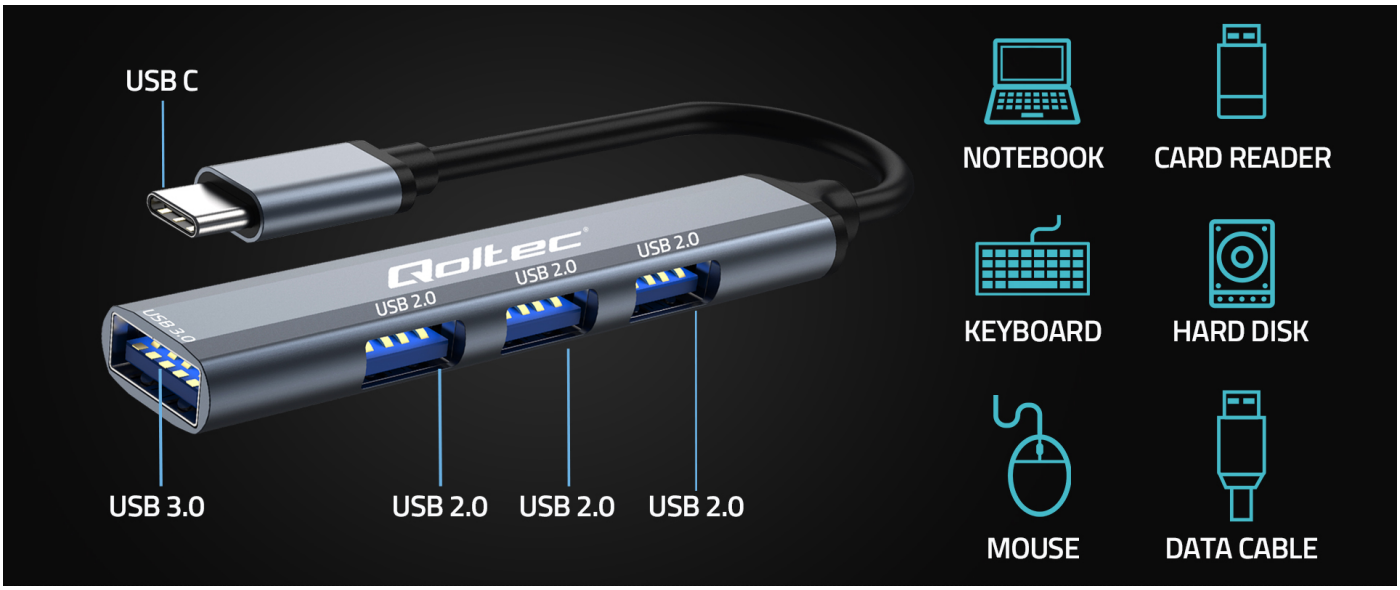

ONE HUB, UNLIMITED POSSIBILITIES

More ports, more convenience

Are you looking for a solution to **extend the capabilities of your laptop or computer?** The USB hub from Qoltec is **dedicated to anyone who appreciates practical solutions that make it easier to organise work and use multiple devices at the same time**. The lack of more USB ports on devices such as a laptop, for example, is a big problem. Right now, our device will improve and organise your workstation, you will gain the extra USB ports necessary to connect several devices at once.

ALL YOUR DEVICES IN ONE PLACE

Interact seamlessly between devices

Connect multiple devices simultaneously and enjoy fast and reliable file transfer. Our hub allows you to connect additional devices and accessories to your computer, such as a mouse, keyboard, printer, flash drive, extra monitor, projector, headphones, speakers and more. With our device, you do not have to choose which device to disconnect in order to connect another one. **The hub is equipped with a USB 3.0 port and 3 USB 2.0 ports.**

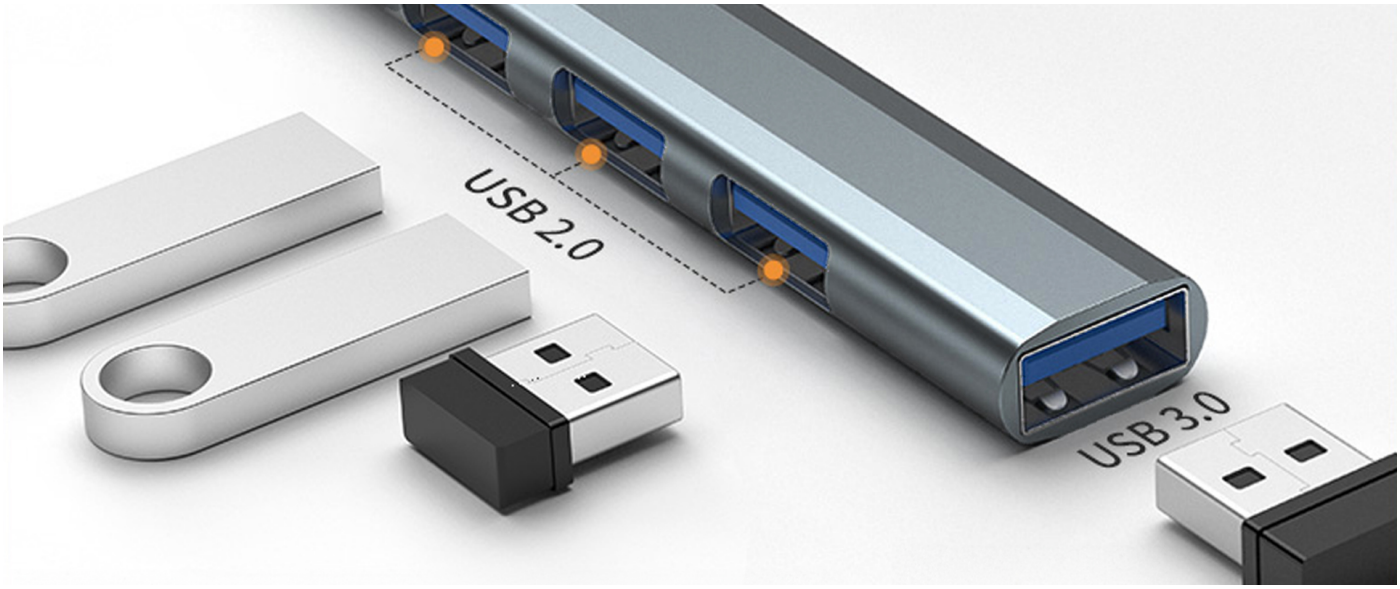

MULTIFUNCTIONALITY IN A COMPACT SIZE

Aluminium casing, elegant design

The device's compact size makes it **extremely practical and convenient**, and its light weight will allow you to take it literally anywhere you need it, to work, the office or anywhere else on a business trip and beyond. **It will easily fit into a pocket or backpack** . The casing of the device is **made of high-quality, durable aluminium**, which further helps to dissipate heat and provides effective protection against crushing and protects against any damage.

FORGET DRIVERS, ENJOY FULL PLUG & PLAY COMPATIBILITY

Plug and play

It's thanks to the plug-and-play feature, once connected to your laptop our device is ready to use without the need to install any additional drivers, just plug in the USB-C cable and you're good to go. The USB-C connector allows you to connect to any computer, laptop, tablet or smartphone equipped with a USB-C port or Thunderbolt 3 port that supports data transfer.

FAST AND RELIABLE FILE TRANSFER SPEEDS

Data transfer rates of up to 5 Gb/s

Devices connected to the hub **can transfer data at up to 5 gigabits per second** , ensuring **fast file copying, smooth data transfer between devices and efficient use of external drives** . Remember the quality of the connected device or the type of cable also has its limits on data transfer speeds. **Ensure that all devices connected to the Hub are USB 3.0 compatible and capable of handling high data transfer speeds.**

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you are buying? Our solutions will meet your expectations. The product comes with a **24-month guarantee** valid from the date of purchase.
