

Qoltec Hub Adapter USB-C 3.1 4in1 | USB 3.0 | HDMI 4K | RJ45 | USB-C PD 92W

Product code: 50409

A compact and lightweight USB-C hub is a way to expand the capabilities of your equipment. You can take it with you everywhere and connect multiple devices to your laptop or PC through the additional ports. It will work well both in the comfort of your home theater and during a business trip, giving you the feeling that everything you need at the moment is within reach.

FULFILL YOUR FULL POTENTIAL

Are you looking for a solution that will expand the capabilities of your laptop or computer? You've come to the right place. With the USB-C hub featuring USB, HDMI, RJ45, USB-C PD, you can **organize a movie marathon night** with your friends or **smoothly run a business PowerPoint presentation**. All you need to do is connect the hub to your laptop or computer and then use the appropriate cable to connect it to a TV, monitor, or multimedia projector. **You'll also gain additional USB and USB-C ports** essential for connecting extra devices that you might not have space for otherwise: a mouse, flash drive, external hard drive, and smartphone are just a few of the possibilities. **You can also connect an Ethernet cable** and simultaneously charge your smartphone at Power Delivery speed.

ENHANCE YOUR FLEXIBILITY

The showcased **USB-C hub model** enables, among other things, fast and stable file transfer between a computer or laptop and various types of devices – such as smartphones, flash drives, external drives, as well as screens like monitors, TVs, and projectors.

4K HDMI port – in combination with the appropriate cable, it allows you to view audio/video files on a connected screen in Ultra HD quality.

USB port – enables file transfer between connected devices at a speed of 5 Gb/s. Some of them require the appropriate cable, while others can be directly inserted into the port.

RJ45 port – used to connect a patch cord cable to provide access to a LAN network.

Power Delivery – enables intelligent charging of your device. This solution is designed to independently adjust the maximum power and charging intensity, optimizing the charging speed.

YOUR MOBILE CONNECTIVITY CENTER

The compact size and lightweight construction make the **USB-C 3.1 hub with USB, HDMI, RJ45, USB-C PD** an ideal travel companion. You can easily tuck it into your bag or backpack and be certain that you always have access to the necessary ports. Whether you're in the office, at a meeting, or on a business trip, this **small-sized device is the perfect solution for professionals in their daily work.**

CONFIDENCE CONFIRMED BY A WARRANTY

Each of the hubs we offer is covered by a 24-month warranty, effective from the day of purchase. **Quality matters to you, and you matter to us.**
