CHOOSE A RELIABLE CHARGER

Reliability is of key importance to you? Choose a Qoltec induction charger that will allow you to charge your mobile devices safely. Ideally suited to the home or office as the main or additional charger. It was made of the highest quality materials, the technologies used in it will allow for low energy consumption and high efficiency.

PRACTICAL SOLUTION

The Qoltec induction charger was made of the highest quality materials to ensure reliable power in every situation. The set also includes a wired charger equipped with modern technologies:

- Qualcomm Quick Charge - allows you to shorten charging time compared to a standard charger,
- Smart IC - ensures safe charging thanks to individual adjustment of the charging speed.

INDUCTIVE CHARGING

Qi is the term for a commonly used inductive charging standard. Allows you to:

- full comfort - charging takes place immediately after bringing the phone to the charger,
- safety - we eliminate connectors damage so common with traditional charging,

Wireless charging is possible for Qi-enabled devices only.

CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec induction charger is covered by 24 months warranty.

TECHNICAL DATA

Producer	Qoltec
Type	Induction, mains
Input voltage	220 – 240 V
Output voltage	9 V – max 1.2 A / 5 V – max 1 A
Output current	1.2 A / 1 A
Frequency	50 – 60 Hz
Usage	Tablet, smartphone and other mobile devices
Safety	Overvoltage protection Overload protection Short-circuit protection Overheating protection
Additional information	Wired charger: Dimensions: 94 x 48 x 22 mm Net weight: 0.172 kg Socket: USB type A
Additional information	AC / DC power supply intended for telecommunications equipment and for automatic data processing equipment and devices for these machines.
Cable length	1 m
Colour	Black
Loading field dimensions	99 mm
Dimensions	diameter: 99 mm
Package contents	Inductive charger USB type A / USB type C power cable Mains charger
Package depth / length [mm]	110
Package width [mm]	115
Package height [mm]	205
Net weight [kg]	0.1720
Gross weight [kg]	0.2280
Warranty	24 months
EAN code	5901878518473
