

Qoltec Label printer LTP-0245 | thermal | High Speed | 203 dpi | USB

Product code: 50245

Qoltec Label Thermal Printer is a product made of high-quality materials. The direct printing method applied will reduce the required working time, significantly impacting your company's efficiency. It is perfectly suitable for use in retail points, wholesalers, and anywhere efficient operation is crucial.

PROFESSIONAL SOLUTION FOR YOUR COMPANY

Versatility of use and operational efficiency in logistics centers, courier companies, wholesalers, and beyond

Thermal printers are essential in retail points, pharmacies, wholesalers, logistics centers, for printing waybills – anywhere efficient operation is required. If time is crucial in your work and deadlines are relentlessly chasing you, it's a sign that you need a reliable device. Qoltec printers will significantly increase your work efficiency, whether you are involved in goods distribution, delivery fulfillment, or consumer services. Thanks to being made of top-quality materials, they are durable and ready to work in any conditions.

BENEFITS AT YOUR FINGERTIPS

An easy-to-use label printer aids in maintaining order

Using a Qoltec brand thermal label printer brings **many benefits**.

Firstly, it saves time – the printer operates quickly and efficiently.

Secondly, it allows for maintaining order and clarity – thanks to the labels, it's easy to identify needed products or documents.

Thirdly, the printer is easy to use – just plug it in, select the appropriate label, and you're done!.

SPEED AND PRECISION WITHIN YOUR REACH

A fast thermal printer with low operating costs

The Qoltec label thermal printer is the perfect solution wherever speed and label printing precision matter. Additionally, our product offers:

- resolution: **203dpi** – 8 dots/mm, 576 dots/line
- maximum print speed **127 mm/s**,
- quick **paper roll mounting in two ways**: inside or outside using the feeder,
- work status indication through the built-in LED,
- **low operating costs**: [labels](#) are readily available at reasonable prices.

TECHNOLOGY THAT MAKES A DIFFERENCE

Thermal printing – an image created on paper using temperature

Thermal printing involves directly applying heat to thermal paper, causing a change in the paper's color and creating an image. Due to this process, a thermal label printer doesn't require ink or toner, making it more **cost-effective and environmentally friendly**. However, it's important to remember that despite all its advantages, such printing **doesn't withstand high temperatures or sunlight well**. Exposing a label to these conditions shortens the legibility period of the print.

TRUST CONFIRMED BY WARRANTY

Product covered by a 24-month warranty

You care about the quality of the product you buy, which is why our designs and solutions are aimed at meeting your expectations. Each of our thermal printers is covered by a warranty for 24 months from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Printing method	Thermal
Resolution	203dpi – 8 pkt/mm, 576 pkt/line
Max. printing speed	127mm/s
Paper type	Thermal label paper, thermal label
Paper width	120mm
Paper thickness	0.06 – 0.2 mm
External roll diameter	120mm
Label width	26.7 – 120 mm
Label length	20 – 300 mm
Printing width	104mm
Inner roll diameter	26.7mm
Printing life	100km
Printing barcodes	UPC-A, UPC-E, EAN-13, EAN-8, CODE39, ITF, CODEBAR, CODE93
Input power supply	24V / 2.5A
Interface	USB
Drivers support	Xp, Win7, Win8, Win10, iOS, Linux
Usage	Industry, trade, logistics centers
Additional information	- paper detection – the appropriate color of the LED indicates whether the paper is present in the printer, if it has jammed, if there's a printing interruption, or if printing is in progress. - printer head error detection - easy-peel blade for label removal
OTHER PARAMETERS	
Colour	Grey, graphite, orange
Operating temperature	0 C ~ +40 C
Storage temperature	-20 ~ +70
Humidity	5% – 95%
Dimensions (D/L x W x H)	217 x 179 x 182 mm
Package contents	- Printer - Power adapter - Power cord - USB Line - Quick installation guide - Warranty card
Package depth / length [mm]	235
Package width [mm]	245
Package height [mm]	185
Net weight [kg]	1.5940
Gross weight [kg]	2.3710
Warranty	24 months
EAN code	5901878502458
