

## Qoltec Plug-in power adapter PREMIUM 12W | 12V | 1A | 5.5\*2.1

Product code: 52402

Qoltec plug-in power adapter is a guarantee of safe power supply and use. You can use it at home or at work. It has a number of safety features to protect the connected device. It is characterized by high efficiency, which reduces energy consumption.

### A SOLUTION DEDICATED TO YOU

Reliability is crucial to you? Choose a Qoltec brand plug-in power adapter that will allow you to power your devices safely. It is made of the highest quality materials, and the technologies used in it will allow low power consumption and high efficiency.

## MULTI-INDUSTRY APPLICATION

Qoltec plug-in power adapter is designed to power a wide range of electronic equipment such as:

- monitors, routers, TV,
- toys,
- battery chargers for power tools,
- printers, scanners, cash registers.

An excellent choice in places where we do not need high-powered power supplies. Features small size and quick and easy installation by plugging directly into a power outlet.

## SAFE POWER SUPPLY IN A UNIVERSAL DESIGN

Don't be stopped and choose the highest quality product, equipped with modern technologies:

- anti-overvoltage, is the protection against too low or too high input voltage,
- anti-overload, is protection against overloading of each power line,
- short-circuit, is protection against short circuit in the power supply circuit,
- thermal, is protection against overload or bad air circulation.

## CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the power supplies we offer is covered by a **24-month warranty** valid from the date of purchase.
