

Qoltec Power charger GaN FAST 108W | 5-20V | 3- 4.7A | USB C | Laptop | Smartfon | White

Product code: 51710

GaN FAST fast charger by Qoltec is a guarantee of safe power supply and use. You can use it at home or at work. It has a number of safety features to protect connected devices. GaN technology uses less energy while maintaining excellent charging performance. Now with one device you will power not only your smartphone or tablet , but also your laptop, gaming console. In addition, you can charge two devices at the same time.

WHAT IS GAN FAST TECHNOLOGY?

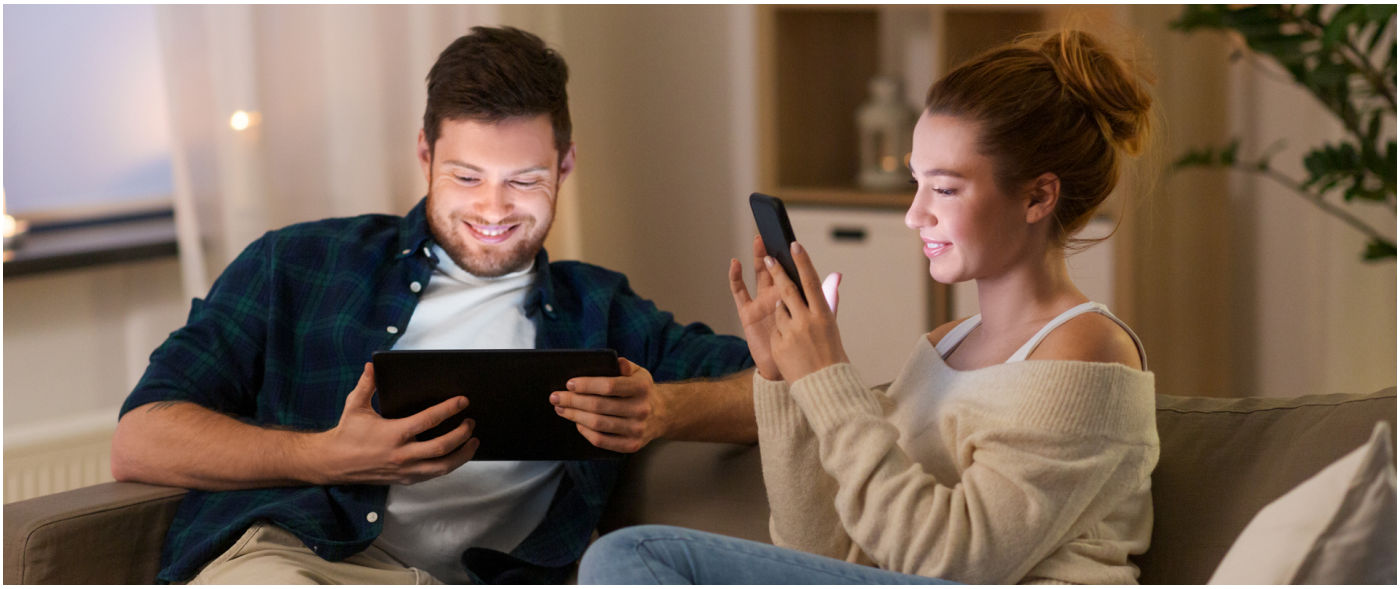

Qoltec GaN FAST 108W charger is equipped with state-of-the-art charging technology consisting of a **new GaN semiconductor material**.
The use of GaN makes the charger efficient, faster than traditional chargers and lighter.
The ultra-fast charger is sure to meet the needs of anyone who values convenience and time saving. Thanks to its small, lightweight case, you can always carry it with you.
The universal **GaN** standard is now available for any type of equipment. You can conveniently use at home, at work or on the go and power up your smartphone, tablet, game console or laptop.

PRECISE ADJUSTMENT OF CHARGING PARAMETERS

Equipped with **POWER DELIVERY** technology, it will adapt to the connected equipment, precisely setting the maximum voltage and current required.
It is extremely versatile reaching a power of **108W** it protects less demanding devices so you can use it for a wide range of devices from smartphones to laptops without worry.
Constructed of high quality materials, it ensures complete safety of use.

TAKE CARE OF YOUR LOVED ONES - BET ON A VERSATILE AND NON-RECOVERABLE SOURCE OF ENERGY

Made with attention to every detail. Lightweight, yet solid construction guarantees convenience and comfort of use and the universal white color and ultra-modern design will blend in perfectly with your interior.

YOUR SAFETY IS IMPORTANT TO US

Built with high quality materials, it ensures total safety of use.
In addition, it has **PROTECTIONS** :
- against too low or too high input voltage,
- against overload of each power supply line,
- against short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the network chargers we offer comes with a **24-month warranty** valid from the date of purchase.

TECHNICAL DATA

Producer	Qoltec
Type	Mains charger
Maximum power	108 W
Input voltage	220 - 240 V
Voltage range	AC : 220-240V ~1.8A DC USB-C : 5 V / 3 A 9 V / 3 A 12 V / 3 A 15 V / 3 A 20 V / 4.7 A DC USB-A : 5V / 2.4 A
Frequency	50 - 60 Hz
Socket type	1 x USB-C ; 1x USB-A
Usage	It is used to quickly power all devices using USB-C port (smartphone, tablet, notebook, laptop and other mobile devices)
Safety	Surge protection Anti-short-circuit Thermal Anti-overload
Additional information	AC/DC power supply designed for telecommunications equipment and for automatic data processing equipment and equipment for these machines.
OTHER PARAMETERS	
Colour	White
Dimensions	118 x 80 x 25 mm
Package contents	Charger Warranty card
Package depth / length [mm]	42
Package width [mm]	135
Package height [mm]	231
Net weight [kg]	0.260
Gross weight [kg]	0.321
Warranty	24 month
EAN code	5901878517100
