

## Qoltec Surge protector | 6 sockets | 1.5m | Black

Product code: 50108

Surge Protector Power Strip  
Number of sockets: 6 grounding-type sockets  
Cable length: 1.5 m  
Rated voltage: 230V / 50Hz

### ONE SURGE PROTECTOR, MANY POSSIBILITIES

Are you looking for a way to turn on a few devices to one source of electricity, which will let you sort out many cables for example under the desk, behind the TV or in the kitchen? Or maybe you are organizing the workplace for yourself and your employees and you want to take care of your devices? The best solution is our surge protector which is available in a few variants that will allow you to choose the option that meets your expectations.

### ONE CLICK AND YOU WORK EFFICIENTLY

In our assortment, you can find surge protectors in a few variants. They differ in terms of amounts of sockets and cable length so you will find the right one for sure. A backlit switch is a practical element. When it lights up you can be sure that your devices will get a dose of energy.

### APPEARANCE MATTERS

Effectiveness is not everything that we can give you. Our surge protector will fit perfectly with your devices. It is possible thanks to the classy black color of the housing and red switch.

### PROTECTION THROUGH ACTION

We want to protect you and other users so we equip this surge protector with many protectors:

- Surge protectors – we used varistor to protect the circuit from high voltage surges
- Safety plug sockets cover which allows children safety protection
- The housing is made on non-flammable Polypropylene

### CONFIDENCE CONFIRMED BY A WARRANTY

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Every surge protector that we offer meets the requirements of Ordinance EU 2002/96/EC. We also offer insurance for damages that causes product malfunction. Surge protectors are covered by 24 months warranty.
