

Qoltec Tape for DYMO D1 43613 | 6mm x 7m | White / Black overprint

Product code: 50236

Label cassette are dedicated to printers, that will provide excellent quality and durability of labels, needed for the functioning of your business - regardless of whether you run an industrial plant or an office.

TERMOSUBLIMATION PRINTING

Thanks to the latest printing technologies, your labels will be clean and clear. The quality of the print is photographic, which proves the diligence of its execution, as well as high-class precision. Besides, this method provides a very high resistance - so you can enjoy our labels much longer than standard ones. They are resistant to the effects of water, fats, and extreme temperatures, and UV rays. Therefore, they will prove themselves in all conditions.

FIND EVERYTHING IN MIG

Would you like to organize items in your home or office? All you need is a dye-sublimation printer compatible with the Qoltec product that we offer. It is a cassette with a labeling tape, thanks to which each box or vessel will get its name. This connection will allow you to locate all the small things needed for everyday functioning, both at work and home. You can easily print headers suggesting the contents of the storage packages, so you will maintain order in your surroundings, and it will also quickly find the items you are looking for.

FITTING TO YOUR NEEDS

You have different widths of labels at your disposal, so you can adjust them to the sizes of segregated collective packages. You decide about the length of the label by adjusting it to the items to be labeled. You will make everything around you beautifully described.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about high quality of the product you buy? Our solutions will meet your expectations. Our printer supplies come with a 24-month warranty valid from the date of purchase.
