

Qoltec Universal travel adapter 10.5W | 5V | 2.1A | 2xUSB

Product code: 50133

Qoltec travel adapter is a guarantee of safe power supply and use. It is characterized by high efficiency which reduces energy consumption. It is intended for plugs without earthing.

SATYSFYING USE IN A COMPACT SIZE

Are you going to travel? Or have you planned a conference abroad? Visiting new places in the world is always exciting. So that you can fully enjoy your holiday trip or go on a business trip without stress, choose a Qoltec network travel adapter. Thanks to it, regardless of the applicable socket standard, you can connect a smartphone, tablet or laptop.

A RELIABLE SOURCE OF ENERGY IS A GUARANTEE OF SATISFACTION

Qoltec travel adapter was made of the highest quality materials which allow you reliable power in every situation. Thanks to built-in USB sockets you can connect at the same time two devices thanks to which you will provide energy quickly and efficiently.

With our adapter you will save a lot of space in your suitcase - the small size of the device will allow you to take it to many places around the world, ensuring a safe power supply.

DESIGNED SPECIFICALLY TO PROTECT YOUR SAFETY

Constructed from high quality materials, it offers total safety of use.

It is additionally equipped with **PROTECTIONS** :

- against too low or too high input voltage,
- against overload of each power supply line,
- short circuit in the power supply circuit,
- protects against damage caused by overheating.

CONFIDENCE CONFIRMED BY A WARRANTY

Do you want a high quality product? Our solutions will meet your expectations. Each of our chargers is covered by a 24 month guarantee from the date of purchase.

TECHNICAL DATA
