

Qoltec USB 2.0 cable type C male | USB 2.0 type C male | 2m | Black

Product code: 52345

Flexible, durable cable ensures charging and data transfer between devices equipped with USB type C.

Standard: USB 2.0

Type: USB type C

Cable length: 2m

AN INNOVATIVE SOLUTION

USB Type C is a completely **new interface standard**. It works well for large devices such as laptops or monitors, but is also intended for mobile equipment, e.g. smartphones, tablets. What's more, as the standards used in this type of cables allow the **energy flow from both sides**, you can both charge the phone using a laptop and connect the computer itself.

ONE CABLE, MANY POSSIBILITIES

The cable with a **USB type C** plug by Qoltec offers:

- **Symmetrical plug** - guarantees correct connection of the device regardless of the rotation of the connector,
- **Plug & Play** - does not require any drivers, works immediately after connection,
- **Charging and data transfer simultaneously** - can transfer data and charge your smartphone at the same time.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? **Our solutions will meet your expectations**. Each of the USB type C cables we offer is covered by a 24-month warranty valid from the date of purchase.
