

Qoltec USB 2.0 type C Cable | USB 2.0 type C Cable 240W | QC 5.0 | PD | 1m | Black

Product code: 52361

High-speed USB C 2.0 cable reinforced with nylon braid, guarantees stable and fast data transfer of up to 480 MB/s and efficient charging of devices with power up to 240W. Enriched with modern Power Delivery and Qualcomm Quick Charge technologies. Compatible with most devices available on the market.

POWER THAT KEEPS PACE WITH YOU

Up to 240W maximum load.

The Qoltec USB-C to USB-C cable has been designed for devices requiring high-performance power delivery. It supports a maximum power output of 240 W, a voltage of up to 48 V and a current of up to 5 A, making it ideal for both everyday charging and more demanding devices equipped with a USB-C port.

Data transfer speeds of up to 480 Mb/s.

The cable is not just for powering devices. The USB 2.0 standard also allows data transfer at speeds of up to 480 Mb/s, so you can conveniently synchronise files, photos, documents and other data between compatible devices.

ONE CABLE, MANY POSSIBILITIES

A universal connector for modern devices

Two USB-C connectors ensure the cable is highly versatile. You can use it to connect a smartphone, tablet, power bank, charger, laptop and other devices equipped with a compatible USB-C port.

A practical length and classic finish.

The 1-metre length ensures comfortable use at your desk, with a mains charger or a power bank, without any excess cable. The black finish gives the cable a versatile look that blends in well with modern electronics.

FAST CHARGING WITHOUT UNNECESSARY WAITING

Quick Charge 5.0 and Power Delivery 3.0.

Support for Qualcomm Quick Charge 5.0 and Power Delivery 3.0 allows you to make the most of compatible chargers and devices. Intelligent charging standards adjust the power settings to suit the connected equipment, ensuring convenient and efficient recharging.
