High-speed USB C 2.0 cable reinforced with nylon braid , guarantees stable and fast data transfer of up to 480 MB/s and efficient charging of devices with power up to 60W. Enriched with modern Power Delivery and Qualcomm Quick Charge technologies. Compatible with most devices available on the market.

ENERGY ALWAYS AT YOUR FINGERTIPS

Up to 60W – fast and convenient charging every day

The Qoltec USB-C – USB-C cable allows you to charge devices with up to 60W of power, a voltage of up to 20V and a current of up to 3A. It is a practical solution for the day-to-day charging of compatible smartphones, tablets, laptops and other devices equipped with a USB-C port.

Charge and transfer data without changing the cable.

The cable operates to the USB 2.0 standard, which means that as well as charging, it also allows data transfer at speeds of up to 480 Mb/s. You can conveniently copy documents, photos, music and other files between compatible devices.

ONE CABLE, MANY POSSIBILITIES

USB-C to USB-C – a modern connection for your devices.

Two USB-C connectors make the cable compatible with most devices available on the market. You can use it, amongst other things, for charging and transferring data between compatible laptops, tablets, smartphones, power banks and mains chargers.

1.5m long – more freedom every day.

The 1.5m length provides greater freedom when using your device at your desk, at home or whilst travelling. The longer cable also allows you to conveniently connect your device even when the socket or charger is situated a little further away from where you're using it.

MAKE THE MOST OF YOUR DEVICE'S CAPABILITIES

PD and QC 3.0 – more power in less time.

Support for Power Delivery and Qualcomm Quick Charge 3.0 enables fast charging of compatible devices. The cable works with a suitable charger and device, utilising the fast-charging standard supported by them.
