

Qoltec USB 3.0 cable A Male / USB B Male | to the printer | 1.8m

Product code: 50362

Standard: USB 3.0
Type: USB A Male / USB B Male
Length: 1.8 m

DURABLE PERFORMANCE

HIGH QUALITY

A solid Qoltec cable allows you to connect the printer to a laptop or PC. Thanks to high restrictions in the production process and multi-stage quality control, the cable finally meets high norms and standards. It provides a stable, fast and uninterrupted signal, which translates into sufficiently high transfers.

In addition, it has a Plug & Play function - you do not need to install additional drivers, you only need to connect the cable to the USB port.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The printer cable we offer is covered by a 24-month warranty valid from the date of purchase.
