POWER THAT KEEPS PACE WITH YOU

Transfer files at speeds of up to 5 Gb/s

The Qoltec USB-C to USB-C cable, compliant with the USB 3.1 standard, offers a data transfer rate of up to 5 Gb/s. It allows you to efficiently transfer photos, videos, documents and other files between compatible devices. It is a good solution for users who regularly copy larger files and expect efficient communication between devices.

ONE CABLE, MANY POSSIBILITIES

Charging and data transfer via a single cable

A single cable enables both data transfer and device charging. The cable supports a current of up to 1.5A and a maximum power output of 7.5W, making it suitable for devices with the appropriate power requirements.

Length: 1.4 metres

The 1.4-metre cable ensures convenience when using equipment at home or in the office. It allows you to comfortably connect devices located a short distance apart without an excessive amount of cable.
