Type: USB CM / USB CM
Cable length: 1 m

THE LATEST TECHNOLOGY IN YOUR HOME

USB Type C is a brand new plug standard that was created out of a need for standardization. It successfully works for large devices such as laptops or monitors, but is also designed for mobile equipment such as smartphones, tablets.

ONE CABLE, MANY POSSIBILITIES

USB Type C plug cable offers:

- increased data transfer speed compared to the standard USB 3.0 plug,
- The symmetrical plug guarantees the correct connection of the device, no matter how rotated the plug is,
- increased data transfer rate in comparison to the standard USB 3.0,
- plug and play - requires no drivers, works immediately after connection,
- charging and data transfer simultaneously - can transfer data and charge your smartphone at the same time.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. Each of the USB Type C cables we offer is covered by a 24-month warranty valid from the date of purchase.
