

Qoltec Loud Wave wireless headphones with microphone | BT 5.0 JL | White

Product code: 50847

Qoltec wireless headphones are a perfect solution for people who value a combination of functionality, comfort and the highest quality of sound.

The control panel located on the handset gives you full control.

EXPERIENCE THE SOUND WITHOUT DISTRACTIONS

If you value the combination of **functionality, elegant design, comfort in use and the highest quality sound without interference and noise** – our product meets you.

Bluetooth 5.0 technology allows you to use the headphones wirelessly, and the range of up to 10 meters **provides freedom of movement**. Thanks to the lightweight design, the headphones do not become a burden and you can enjoy your **favorite music for a long time or use the FM radio function**.

This model also comes with a voice assistant at your disposal.

TALK WITHOUT INTERRUPTION

The headphones have a **built-in microphone** - so you don't have to interrupt your activities to answer the phone and make a call. In addition, they have a panel with which you can switch music, pause or adjust the volume, and full charging will allow you to enjoy your music for up to 15 hours. Everything is supervised by a **control LED**, which indicates the start and end of charging.

TRUST CONFIRMED BY WARRANTY

Do you care about the high quality of the product you buy? **Our solutions will meet your expectations.** The headphones we offer are covered by a 24-month warranty valid from the date of purchase.
