

Qoltec Wireless mini adapter Wi-Fi USB | standard N

Product code: 50504

The wireless Wi-Fi adapter is a product that ensures operation to the maximum standard. We have achieved this thanks to the precision of workmanship and the use of top-class components in its production.

JOIN A WIRELESS WI-FI NETWORK

Your old laptop is no longer suitable for surfing the web?

Or maybe the constant buffering while watching TV series online on your computer, instead of the expected emotions, only causes a feeling of frustration?

An outdated or lack thereof network adapter is a common problem. But does it have to mean replacing the equipment with a new one? Fortunately not.

The Qoltec brand offers wireless mini Wi-Fi adapters that will provide Internet access to your computer or laptop, and thanks to its small size it will be the best solution even when traveling.

A PRACTICAL SOLUTION

The wireless mini Wi-Fi adapter has been designed to connect devices that do not have a network card or use an older version of it to the network. Our solutions additionally offer:

- support for b / g / n standards - guaranteeing work at the highest level,
- USB 2.0 plug - allows direct connection of the adapter to devices equipped with a USB port

CONFIDENCE CONFIRMED BY A GUARANTEE

Do you care about the high quality of the product you buy? Our solutions meet your expectations. The wireless mini Wi-Fi adapter we offer is covered by a 24-month warranty valid from the date of purchase.
