

Wireless Touchpad keyboard | 2.4GHz | 4 in 1 | Black

Product code: 50250

The Qoltec wireless touchpad keyboard is an extremely convenient device that you will use not only for Smart TVs. It also works perfectly with PCs, notebooks, tablets and game consoles.

Supports Windows 10, Android, iOS.

The large size touch panel can be both, a computer mouse and perform functions known from the screens of mobile devices with gesture support. Zooming, dragging, moving or just clicking and typing is easy and comfortable. Thanks to the multimedia keys you will immediately get access to the Internet, multimedia files with movies, photos and music.
